

"Slamming" complaint: I canceled my long distance service (I use a pre-paid long-distance card) The next month, I received a bill from MCI for "long distance service provider". I DID NOT sign up with or order long distance from MCI, or anyone else. MCI slammed me.

I will happily co-operate with any action you choose to take against MCI. You can contact me at the above address or by phone at: 503-283-3982. Please call, write or e-mail if you require more specific information. Dennis J. Alexander
